Description

Fischer Drawer Organiser (20 Drawers) 305x128x230m is a blue/clear drawer organiser constructed from durable co-polymer. It provides 20 separate compartments for organising small parts and tools efficiently. Designed for practical use, its precise dimensions help maintain systematic storage for components that require clear visual segregation. This effective design supports work practices where reliability and orderliness are essential for trade and professional applications.

Features

- Robust co-polymer construction for lasting drawer organisation
- Innovative blue and clear design enhances visual differentiation
- Accommodates twenty drawers in a compact ergonomic design
- Uniform dimensions for efficient integration into office settings
- Engineered for easy access and systematic storage
- Clear separation simplifies inventory organisation and visual monitoring
- Precise dimensions offer ample space for technical tools
- Indoor design optimised for controlled environment use
