Description

Fischer Stor Pak Labels - 24 Piece is a set of stackable storage bins designed for efficient organisation and clear labelling of components and supplies. The white cardboard bins offer a practical solution for managing parts and documents in professional settings. Their compact design enables easier categorisation and quick access for trade professionals. The robust design supports a neat arrangement, keeping workspaces orderly and streamlining daily operational tasks.

Features

- Robust cardboard construction ensures reliable storage
- Stackable design maximises available storage space
- White finish provides a clean, professional appearance
- Engineered for organised stacking and easy storage
- Dedicated label areas support clear item identification
- Lightweight design eases handling and repositioning
- Neat construction promotes overall storage organisation
- Compact dimensions facilitate efficient shelf arrangement
