Fischer Stor Pak Dividers (Special Order)

Description

Fischer Stor Pak Dividers (Special Order) are stackable storage bins built from durable GP Styrene and presented in a clear finish. They provide an efficient solution for organising materials and documents within controlled environments. The design allows seamless stacking, supporting ease of transport and effective space utilisation. This practical storage option aids professionals in maintaining orderly workspaces with reliable performance and straightforward functionality.

Features

- Robust clear GP Styrene construction
- Stackable design for efficient, organised storage
- Transparent bins facilitate quick visual content checking
- Reliable construction tailored for professional use
- Uniform dimensions enable consistent stacking options
- Practical design supports efficient inventory management
- Easy to clean and maintain clear finish appearance
- Special order availability ensures adaptable storage solutions

Product Code: F1H-058CL
