

Description

Fischer Blue 0.5L Stor Pak is a range of stackable storage bins designed for efficient organisation in professional workspaces. Manufactured from durable polypropylene in a distinctive blue colour, these bins offer a practical solution for storing tools and supplies securely. The design supports optimal space utilisation and quick access, providing a reliable and accessible method to maintain order for industrial and trade professionals.

Features

- Durable polypropylene construction achieves lasting performance for daily storage use
- Stackable design maximises storage efficiency in confined spaces
- Distinct blue finish aids quick visual identification
- Nestable structure enables secure and organised stacking
- Compact design balances capacity with space-saving setup
- Reinforced interlocking mechanism provides stable stack arrangements
- Lightweight build simplifies repositioning during routine storage tasks
