Fischer Charcoal 0.5L Viro Pak 5 (Special Order)

Product Code: F1H-060V

Description

Fischer Charcoal 0.5L Viro Pak 5 (Special Order) is a stackable storage bin constructed from recycled polypropylene in a black finish. It is designed for efficient, orderly storage and easy access within indoor environments. Its robust construction supports practical stacking arrangements and contributes to optimised use of space. This product offers a reliable solution for professional storage requirements, ensuring secure and organised arrangements in on-site and office settings.

Features

- Sturdy stackable bins for efficient storage organisation
- Made from 100% recycled polypropylene ensuring reliable durability
- Designed for indoor use in controlled temperature settings
- Sleek black finish complements diverse workspace aesthetics
- Optimised stacking design increases available floor space
- Constructed with recycled materials for sustainable storage solutions
- Secure locking system maintains bin stability during stacking
- Robust build supports reliable handling during daily operations
