

TUB SPECS

Stor-Pak 10 | F1H-061C

Product Code: F1H-061C

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Clear
----------------	-------

Construction

Product Material 1	Polypropylene
--------------------	---------------

Description

Fischer Clear 1L Stor Pak is a clear stackable storage bin made from polypropylene designed for efficient organisation of small components. It provides a practical approach for trade professionals requiring reliable storage while maintaining easy access in compact indoor settings. Its sturdy construction and smart stacking capability promote effective use of workspace and consistent performance in everyday applications. The design supports secure containment of items and contributes to streamlined workspace management.

Features

- Made from durable polypropylene for long-term reliability
- Stackable design for efficient storage and easy access
- Clear construction allows quick visual inventory checks
- Secure stacking prevents shifting during storage
- Designed for indoor use in controlled settings
- Robust construction suited for practical daily use
- Simplifies organisation with neat stacking capabilities
- Compatible with Fischer storage systems for integrated use
