Fischer Charcoal 1L Viro Pak 10 (Special Order)

Product Code: F1H-061V

Description

Fischer Charcoal 1L Viro Pak 10 (Special Order) is a stackable storage bin system constructed from recycled polypropylene. The product is designed for effective organisation and resource management in indoor settings. Its configuration supports efficient space utilisation and simplifies inventory handling for industrial and trade professionals. The stackable design enables adaptable storage solutions and contributes to streamlined workflows. The black finish offers a practical option for clearly defined storage requirements.

Features

- Stackable design improves storage organisation and space efficiency
- Constructed from recycled polypropylene for environmental sustainability
- Robust build withstands routine handling in indoor settings
- Stackable bins offer easy access and efficient space usage
- Uniform design supports organised multiple bin storage configurations
- Engineered with durability for demanding storage tasks
- Black finish integrates with interior aesthetics
- Designed for efficient stacking to save valuable floor space

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Black

Construction

Product Material 1	Recycled Polypropylene

Dimensions

Product Height (mm)	85
Product Width (mm)	170
Product Length (mm)	100

Weights

Product Weight (kg)	0.102
Product Weight (grams)	102
Volume Capacity (L)	1.16
