

TUB SPECS

Stor-Pak 25 | F1H-062BL

Product Code: F1H-062BL

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Blue
----------------	------

Construction

Product Material 1	Polypropylene
--------------------	---------------

Description

Fischer Blue 2.5L Stor Pak is a stackable storage bin crafted from high quality polypropylene in a distinct blue finish, designed specifically for indoor use. It offers a reliable solution for organising supplies and components in workspaces, ensuring efficient stacking and storage. Industrial and trade professionals benefit from its robust construction, practical design and ability to streamline component management.

Features

- Robust polypropylene construction for reliable indoor storage
- Stackable design saves space in confined areas
- Deep blue finish enhances visibility in busy workspaces
- Durable bins ideal for organised parts and tools
- Simple integration with workplace storage systems
- Easy visual identification with distinctive colour coding
- Engineered for resilience in demanding indoor applications
- Precision engineered stacking ensures secure arrangement
