

Product Code: F1H-062MPBL

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Blue
----------------	------

Construction

Product Material 1	Polypropylene
--------------------	---------------

Description

Fischer Blue 2.5L Medical Mesh Pak offers a stackable storage bin system built in robust polypropylene designed for efficient indoor storage solutions. It supports practical organisation through its stackable design and uniform dimensions, providing effective space utilisation beneficial for trade professionals. The blue colour facilitates clear visual identification while the secure construction promotes a neat workspace with reliable durability and performance.

Features

- Durable polypropylene construction for reliable, long lasting usage
- Stackable design for efficient storage in limited space
- Robust handles provide ease for manual handling
- Blue colour for quick visual identification
- Secure lids maintain contents during stacking and movement
- Smooth surface enables quick cleaning after use
- Compact form factor maximises available storage capacity
- Precision engineering for dependable, steady operation under demanding tasks
