Fischer Clear 25L Perforated Medical Mesh Pak 25 (Special Order)

Description

Fischer Clear 25L Perforated Medical Mesh Pak 25 (Special Order) is a stackable storage bin manufactured from polypropylene. It offers clear visibility of stored contents and benefits trade professionals by enabling organised and efficient space utilisation. The perforated design may assist with air circulation, which contributes to maintaining material condition, while the stackable feature supports easy access and systematic storage in settings where streamlined operations are valued.

Features

- Precision moulded for reliable stacking and secure storage
- Constructed from durable polypropylene with excellent chemical resistance
- Clear design improves quick visual inventory assessment
- Perforations allow efficient air flow and moisture reduction
- Stackable configuration saves valuable storage floor space
- Engineered for consistent load distribution and safe stacking
- Easy identification of contents with transparent construction
- Special order offers customised perforation and volume specifications

Product Code: F1H-062MPC

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Clear

Construction

Product Material 1	Polypropylene

Dimensions

Product Height (mm)	125
Product Width (mm)	220
Product Length (mm)	133

Weights

Product Weight (kg)	0.17
Product Weight (grams)	170
Volume Capacity (L)	2.93
