Description

Fischer Yellow 2.5L Stor Pak is a stackable storage bin designed for efficient organisation in busy workspaces. Made from durable polypropylene and finished in a bright yellow hue, its design enables secure stacking and easy identification of contents. It provides a practical storage solution for industrial and trade professionals seeking reliable performance, improved workflow and space optimisation in indoor settings.

Features

- Durable polypropylene construction for long-lasting, reliable storage
- Stackable design saves space and facilitates organised storage
- Bright yellow colour enables easy visibility in work areas
- 2.5-litre capacity suits practical storage and service tasks
- Secure interlocking mechanism supports stable stacking
- Ergonomic design allows efficient handling and mobility
- Lightweight composition facilitates easy repositioning and transport
- Designed for indoor use with attention to practical functionality
