

Fischer Blue 6L Perforated Medical Mesh Pak 60

Description

Fischer Blue 6L Medical Mesh Pak is a stackable storage bin designed for efficient organisation in clinical and trade settings. Constructed from durable polypropylene with a blue finish, it offers a practical solution for compartmentalising and protecting small items. Its design promotes space optimisation and straightforward handling, ensuring that essentials are easily accessible to professionals seeking reliable and effective storage methods.

Features

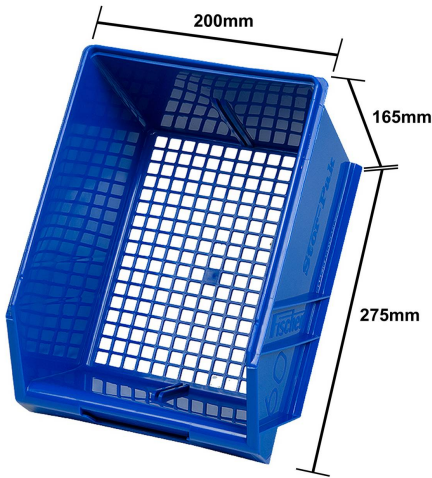

- Stackable design supports efficient storage organisation
- Durable polypropylene construction ensures reliable performance
- Blue colour aids quick visual bin identification
- Secure stacking holds contents safely in place
- Simple design enables straightforward configuration
- Lightweight bins allow easy relocation and handling
- Engineered corners maintain stable stacking and alignment
- Modular design fits varied storage setups and inventory

Dimensions

Product Height (mm)	165
