Fischer Clear 6L Perforated Medical Mesh Pak 60 (Special Order)

Product Code: F1H-063MPC

Description

Fischer Clear 6L Perforated Medical Mesh Pak 60 (Special Order) is a clear polypropylene stackable storage bin designed for efficient organisation of components and supplies. Its perforated structure enhances visibility and air circulation while ensuring secure containment. The robust construction supports a reliable solution for trade professionals managing inventory and streamlining storage systems in indoor settings. Practical and technically engineered, the bin offers straightforward advantages for systematic operational storage needs.

Features

- Constructed from durable polypropylene material for everyday storage
- Clear design allows easy visual content identification
- Stackable design supports efficient space utilisation
- Perforated mesh elements provide quick access and visibility
- Suitable for indoor use in high-traffic settings
- Special order model offering specialised storage solutions
- Designed to maintain clarity for easy bin identification
- Reliable design enhances operational efficiency in everyday tasks

Specifications
