Description

Fischer Orange 6L Stor Pak is a stackable storage bin system produced in a robust orange polypropylene design. Intended for indoor organisational use, these bins offer a practical solution for professionals requiring efficient space management and secure storage. The innovative design streamlines the stacking process and simplifies inventory oversight, making it a valuable tool for trade experts who prioritise durability, ease of access and reliable performance in routine applications.

Features

- Robust polypropylene construction ensures long-lasting durability
- Stackable design promotes efficient space utilisation
- Vibrant orange colour enhances indoor visibility
- 6-litre capacity supports organised storage
- Ergonomic contours simplify handling and positioning
- Smooth surface supports easy cleaning and maintenance
- Uniform build maintains secure stacking performance
- Crafted with practical storage features for professionals
