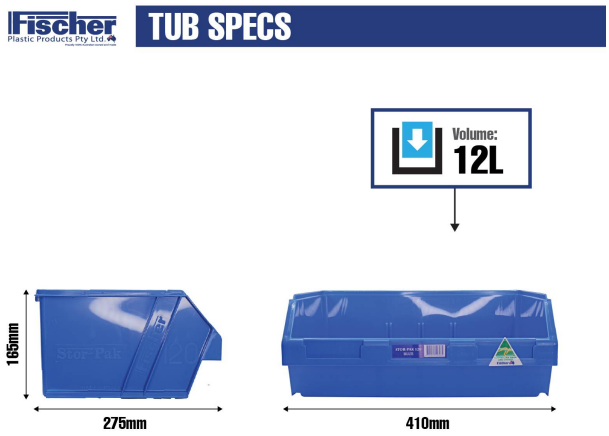
Fischer Blue 12L Stor Pak



Product Code: F1H-064BL

Description

Fischer Blue 12L Stor Pak is a stackable storage bin designed for effective organisation with a focus on technical applications. Made from polypropylene, it offers sturdy construction and optimised space usage while featuring a clear blue colour for easy identification. Its design facilitates efficient storage and retrieval, making it well suited for professionals managing tools and parts in work environments.

Features

- Constructed from polypropylene for durability and easy cleaning
- Stackable design for efficient storage space management
- Compact design fits well within confined storage areas
- Blue colour aids visual identification among other bins
- Suitable for indoor organisation and item categorisation
- Robust construction withstands frequent handling and stacking
- Clear design supports quick and precise retrieval
- Designed with practicality and reliability for daily use
