

Description

Fischer Blue 24L Stor Pak is a robust blue stackable storage bin manufactured from durable polypropylene. Designed for efficient indoor organisation, it offers a secure stacking system and optimised form that supports smooth workflow for trade and industrial professionals. Its construction enhances safety and ease of access in busy workspaces, while the stable design permits clear visibility of stored items, offering a practical solution for demanding work environments.

Features

- Robust polypropylene construction delivers dependable storage performance
- Stackable design optimises space utilisation and organisation
- 24-litre capacity provides ample internal storage
- Distinct blue hue aids quick visual identification
- Simple design supports efficient indoor organisation
- Reliable construction withstands everyday handling and use
- Easy interlocking feature simplifies stacking multiple bins
- FISCHER design ensures practical storage for workspaces
