Fischer Blue 24L Perforated Medical Mesh-Pak 240 (Special Order)

Product Code: F1H-065MPBL

Description

Fischer Blue 24L Perforated Medical Mesh-Pak 240 (Special Order) is a stackable storage bin constructed from polypropylene in a blue finish for efficient indoor organisation. It facilitates secure storage and easy stacking, optimising space usage in environments where clear labelling and access to stored contents are essential. Its perforated design aids in quick visual identification, making it a practical solution for professionals requiring reliable and systematic storage.

Features

- Constructed in durable polypropylene for long-life storage
- Stackable design saves space and simplifies inventory management
- Robust build supports demanding storage and organisational tasks
- Bright blue finish enhances item identification in busy areas
- Perforated design facilitates visual access for efficient inventory
- Optimised dimensions integrate into tight storage configurations
- Manufactured by FISCHER with precision and quality assurance
- Special order option offers customised storage solution selection
