Fischer Clear 24L Perforated Medical Mesh-Pak 240 (Special Order)

Product Code: F1H-065MPC

Description

Fischer Clear 24L Perforated Medical Mesh-Pak 240 (Special Order) is a robust polypropylene stackable storage bin designed for efficient organisation of tools and supplies. Its clear construction allows for quick visual inspection and improved tracking of stored items. The perforated design enhances airflow, supporting better moisture regulation. This practical solution is valuable for trade professionals seeking reliable, structured storage options in busy work settings.

Features

- Constructed from durable clear polypropylene
- Stackable design enhances space efficiency
- Perforated panels offer airflow and visual clarity
- 24L capacity suited for versatile storage
- Designed with robust construction for reliability
- Lightweight form allows easy repositioning
- Engineered for long-lasting indoor use
- Simple design supports straightforward cleaning and use

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Clear

Construction

Product Material 1	Polypropylene

Dimensions

Product Height (mm)	210
Product Width (mm)	440
Product Length (mm)	410

Weights

Product Weight (kg)	1.23
Product Weight (grams)	1,230
Volume Capacity (L)	30.31
