Fischer Charcoal 24L Viro Pak 240 (Special Order)

Product Code: F1H-065V

Description

Fischer Charcoal 24L Viro Pak 240 (Special Order) is a stackable storage bin constructed from recycled polypropylene and presented in black. Developed for practical use, it supports efficient organisation in professional settings. Its modular design and robust construction allow consistent stacking and secure storage of tools and components. Designed for indoor applications, the product simplifies handling and transport while enhancing workspace clarity and productivity for trade professionals.

Features

- Stackable bins for organised, space-saving storage
- Constructed from recycled polypropylene for durable use
- Uniform dimensions enable secure interlocking stacking
- Simplified design facilitates clear labelling and identification
- Compact design supports efficient space utilisation
- Recycled polypropylene offers environmentally responsible storage solution
- Engineered design ensures balanced, stable stacking performance
- Modular bins allow adaptable storage system configuration
