Fischer 460x460mm Metal Louvre Panel (Special Order)

Description

Fischer 460x460mm Metal Louvre Panel (Special Order) is a precisely engineered louvre panel constructed from metal and finished in grey. It is designed for controlled light and air management in technical projects and architectural applications. The panel's accurate dimensions and robust build ensure dependable performance and ease of installation. Its clean design and modular functionality provide practical benefits to trade professionals requiring consistent, quality technical solutions.

Features

- Durable metal construction ensures long-lasting performance
- Sleek grey finish adds modern utilitarian appeal
- Optimised panel design directs air and enhances ventilation
- Precision engineering provides uniform temperature regulation
- Robust louvre design diffuses light and controls glare
- Special order option offers availability for specific project needs
- Engineered for ease of maintenance and straightforward installation
- Meets performance specifications with robust and consistent build

Product Code: F1H-071B

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Grey

Construction

Product Material 1	Metal

Dimensions

Product Height (mm)	1
Product Width (mm)	460
Product Length (mm)	460

Weights

Product Weight (kg)	0.2
Product Weight (grams)	200
Volume Capacity (L)	0.17
