Fischer 600 Edging Corner Lok-A-Mat (Special Order)

Description

Fischer 600 Edging Corner Lok-A-Mat (Special Order) is an indoor edging solution crafted from durable polypropylene designed to support precise corner installations. Its yellow colour enhances visibility during practical applications and aids trade professionals in achieving clean, straight edges. The product meets requirements for accurate setups, helping to streamline installation procedures and maintain quality workmanship in a range of interior projects.

Features

- Durable polypropylene build ensures secure indoor installations
- Yellow finish improves visibility in indoor settings
- Precision engineered edging offers stable corner alignment
- Designed for easy integration with existing infrastructure
- Low profile design maintains a clear floor demarcation
- Special order production meets tailored supply chain requirements
- Engineered indoor performance via precise manufacturing techniques
- Enhanced corner design provides secure and defined positioning

Product Code: F1H-073

Specifications

Outdoor Use	No
Indoor Use	Yes
