Fischer Blue 600 Lok-A-Mat Clips (Special Order)

Product Code: F1H-087

Description

Fischer Blue 600 Lok-A-Mat Clips (Special Order) are precisely engineered polypropylene edging clips designed for indoor Lok-A-Mat installations. They facilitate accurate alignment and secure transition areas in flooring projects. The blue clips offer clarity during installation and contribute to a practical, reliable solution for trade professionals managing installation tasks. Their robust construction and streamlined design support efficient assembly and consistent performance throughout indoor applications.

Features

- Precision engineered for secure, uniform edge installation
- Robust polypropylene construction ensuring durability and reliable performance
- Colour-coded design enhances visual distinction and ease of use
- Designed for indoor applications in controlled installation environments
- Special order design delivers tailored performance on edge installations
- Engineered clip design supports secure, accurate edge alignment
- Simple integration promotes fast installation and reduced setup time
- Manufactured with quality components for lasting, dependable performance

Specifications
