

## Description

Fischer Compartment Box - A4 Large is a clear compartment box constructed from co-polymer, offering ample storage and organised partitions for tools, documents, and small components. Its practical design supports daily use by trade professionals in workshop and office environments. The clear finish allows easy visual access to contents, improving efficiency and ensuring reliable organisation in workspaces requiring a well-structured storage solution.

## Features

- Constructed with clear, durable co-polymer material
- Integrates divided compartments for efficient organisation
- Large A4 format maximises storage capacity
- Designed with simple structure for ease of access
- Built for clear visual content monitoring
- Engineered for reliable, repeatable performance indoors
- Offers robust build for long term use
- FISCHER quality trusted in technical design

**Product Code: F1H-088NL**
