

Fischer Large Deep Clear 3 Compartment Storage Box

Description

Fischer Clear Compartment Boxes (3 Compartment) provide a clear and systematic organisation system for storing components. They feature a sturdy co-polymer construction with three separate compartments designed to keep items well sorted. The boxes offer practical applications for trade professionals handling small parts and technical components. Their transparent design ensures enhanced visibility, while the robust build contributes to long-lasting performance in indoor settings.

Features

- Constructed from durable co-polymer for lasting reliability
- Clear design enables quick visual component identification
- Three compartments provide efficient organisation and separation
- Engineered for consistent indoor performance
- Manufactured with precision to suit technical applications
- Offers rugged construction with uncomplicated assembly
- Streamlined design supports straightforward storage and handling
- FISCHER commitment to quality visible in detailed design

Dimensions

Product Height (mm)	80
Product Width (mm)	200
Product Length (mm)	310

Weights

Product Weight (kg)	0.404
Product Weight (grams)	404

Product Code: F1H-090

Specifications

Outdoor Use	No
Indoor Use	Yes
