Fischer Large Deep Clea 6 Compartment Storage Box (Special Order)

Description

Fischer Large Deep Clea 6 Compartment Storage Box (Special Order) serves as a practical solution for organising small components in controlled environments. Its clear design made from co-polymer facilitates quick visual identification and efficient sorting. The multiple compartments ensure systematic storage and straightforward accessibility, supporting professionals in managing parts and tools with precision and reliability. The product offers practical advantages essential for maintaining order and efficiency in daily professional tasks.

Features

- Six compartments allow organised and efficient storage
- Clear co-polymer construction provides durability and transparency
- Deep design accommodates larger items with practical storage space
- Smooth surface enables quick visual identification of stored items
- Engineered for reliable indoor organisation and item preservation
- Precise design facilitates accessible storage in controlled settings
- Special order product tailored to unique organisational requirements
- Robust construction maintains form and function over time

Product Code: F1H-095NL
