Description

Fischer Clear Compartment Boxes (8 Compartment) is engineered for professionals seeking a practical organisational tool for indoor applications. Constructed from high-quality co-polymer and offering a clear design, each of its eight compartments supports systematic sorting and streamlined access to small parts. Its robust build ensures reliable performance in busy workspaces, providing clear visual confirmation of contents and contributing to a more efficient, well-structured work environment.

Features

- Clear design shows contents at a glance
- Durable co-polymer withstands routine handling demands
- Eight compartments facilitate organised component sorting
- Compact design fits functional workspaces efficiently
- Secure latches keep contents in place reliably
- Transparent panels allow easy identification of stored items
- Robust construction meets demands of everyday use
- Simple assembly supports quick setup and reorganisation
