Description

Fischer Clear 31 Compartment Storage Box (Special Order) is a co-polymer storage solution featuring 31 compartments for efficient organisation of small components. Developed by FISCHER, it provides clear visual access for precise categorisation and retrieval. The durable design and clear construction ensure items remain visible and well managed, supporting trade professionals in maintaining orderly workspaces. Its construction is tailored for controlled indoor use, optimising component management and overall work efficiency.

Features

- Co-polymer construction offers long-lasting durability
- Clear design supports fast visual identification
- 31 compartments provide organised, accessible storage
- Engineered for indoor use in various applications
- FISCHER quality ensures reliable performance over time
- Special order option available via FISCHER website
- Compact design fits efficiently in limited workspace
- Simple, practical solution for everyday storage tasks
