Description

Fischer First Aid Box 465x300x254mm (Special Order) is a practical first aid storage solution made from durable polypropylene in an organised red and white design. It is designed for efficient indoor placement where ready access to essential first aid supplies is critical. The product offers a compact, clearly labelled system that meets the needs of trade professionals looking for reliable, functional storage to support workplace safety and preparedness.

Features

- Constructed of robust polypropylene for secure first aid storage
- Compact design with dimensions 465x300x254mm for efficient placement
- Red and white colour scheme enhances visual identification quickly
- Indoor application provides accessible first aid storage solution
- Special order availability accommodates unique operational requirements
- Engineered to keep supplies organised and easily retrievable
- Positive colour contrast assists in rapid emergency response
- Precision craftsmanship meets professional expectations in first aid management
