Fischer Medium 400mm Orange Utility Box (Special Order)

Product Code: F1H-137OR

Description

Fischer Medium 400mm Orange Utility Box (Special Order) is a polypropylene utility box designed for indoor use. It offers secure and organised storage for technical equipment and wiring, catering to the needs of industrial and trade professionals. The box facilitates efficient cable management and system organisation, providing straightforward benefits in professional applications. Its clear orange colour aids in quick visual identification, enhancing operational efficiency and overall workflow management.

Features

- Durable polypropylene construction ensures reliable indoor usage
- Bright orange design aids in quick identification
- Sturdy build supports regular and efficient use
- Special order responsive to diverse utility requirements
- Precision moulded parts enable accurate assembly and performance
- Engineered design offers secure containment for tools and components
- Simple integration with related equipment for coordinated work
- Reliable utility box streamlines workspace organisation
