Fischer Medium 400mm White Utility Box (Special Order)

Product Code: F1H-137W

Description

Fischer Medium 400mm White Utility Box (Special Order) is a utility box manufactured by FISCHER. Made from durable polypropylene with a white finish, it is designed for indoor use, providing reliable storage and organisation for essential electrical components and trade equipment. Its straightforward design and precise construction support easy installation and maintenance. Trade professionals value its functionality, which contributes to systematic workspace management and efficient operational outcomes.

Features

- Constructed from high-grade polypropylene for reliable indoor performance
- White finish offers bright clean appearance for clear identification
- Engineered design ensures secure containment of essential utility components
- Space-efficient design fits installations in limited available areas
- Robust build withstands frequent use without compromising functionality
- Simple mounting system facilitates rapid setup and organisation
- Ideal dimensions offer practical internal storage for assorted items
- Quality Fischer engineering delivers steady performance in daily tasks
