Fischer 2 Tray First Aid Box 400mm (Special Order)

Description

Fischer 2 Tray First Aid Box 400mm (Special Order) is a robust first aid storage solution constructed from polypropylene with a clear exterior design. It features two trays that allow for efficient organisation and rapid visual access to essential medical supplies. Designed for professionals, it supports practical storage and quick retrieval of first aid materials, enhancing workplace safety and ensuring critical items are organised and readily available for immediate use.

Features

- Robust clear polypropylene construction allows easy content inspection
- Dual tray layout supports efficient equipment organisation
- Transparent design facilitates quick inventory checks
- Model specialised for storing first aid supplies
- Engineered with clarity to monitor contents visually
- Sturdy construction withstands frequent handling and use
- Optimised storage compartments improve practical organisation
- Special order design from Fischer meets precise operational needs
