

Fischer Red Carry Case Clear Lid Ezi Pak

Product Code: F1H-150R

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Red/Clear
----------------	-----------

Construction

Product Material 1	ABS Plastic/Polycarbonate
--------------------	---------------------------

Description

Fischer ABS Compartment Cases 430x375x90mm provide a reliable storage solution for managing components in controlled work spaces. The red and clear compartment box is constructed from ABS Plastic and Polycarbonate, ensuring durability and stability. Its design supports systematic organisation, allowing trade professionals to maintain efficient workstations with clearly defined sections that facilitate quick access and ease of maintenance for essential parts.

Features

- High impact ABS plastic construction for long lasting durability
- Transparent polycarbonate compartment improves content visibility
- Secure built-in compartments support efficient storage organisation
- Customisable layout options suit varied storage requirements
- Precision engineered for reliable installation and maintenance
- Sturdy design provides secure housing for technical tools
- Compact footprint reduces space usage within work areas
- Sleek red colour enhances visibility in indoor settings
