Fischer Polypropylene Spare Part Tray Carry Cases (Special Order)

Product Code: F1H-160

Description

Fischer Polypropylene Spare Part Tray Carry Cases (Special Order) is a range of compartment boxes constructed from durable polypropylene. The grey design offers a practical solution for organising spare parts with individual compartments that simplify access and storage. Trade professionals benefit from the robust build that supports secure transport and efficient handling of components while maintaining neat organisation, optimising operational workflow in indoor environments.

Features

- Polypropylene construction supports strong, resilient performance
- Multiple compartments allow organised spare parts storage
- Lightweight design facilitates easy handling and transport
- Grey finish provides a neutral, clean aesthetic
- Designed for indoor applications and secure parts organisation
- Special order option meets unique operational storage needs
- Secure build ensures contents remain isolated within compartments
- Fischer brand delivers recognised quality and reliability

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Grey

Construction

Product Material 1	Polypropylene

Dimensions

Product Height (mm)	110
Product Width (mm)	420
Product Length (mm)	425

Weights

Product Weight (kg)	1.636
Product Weight (grams)	1,636
Volume Capacity (L)	15.71
