Fischer Blue 16 Compartment Tilt Pak (Special Order)

Product Code: F1H-166

Description

Fischer Blue 16 Compartment Tilt Pak (Special Order) is a compartment box manufactured from polypropylene and high impact styrene, featuring blue and clear design. It is designed for organising and storing various small parts, tools and components. Tailored for trade professionals, it allows efficient workspace management in indoor environments. Its robust construction and partitioned layout offer a practical solution for workspaces requiring clear separation and swift access to stored items.

Features

- Durable polypropylene and high impact styrene build
- Compact internal tilt mechanism for straightforward access
- Blue and clear colour scheme for easy part identification
- Special order design with 16 individual compartments
- Tilt system enhances organising efficiency in confined spaces
- Precision moulded for consistent compartment dimensions
- Compatible with various parts and small components
- Crafted for indoor applications with reliable performance

Specifications
