Fischer Large First Aid Cabinet (Knob Latch) (Special Order)

Product Code: F1H-168KN

Description

Fischer Large First Aid Cabinet (Knob Latch) (Special Order) is made from chemical resistant polypropylene and finished in white for a clean, practical appearance. It provides secure, accessible storage for first aid supplies, facilitating efficient response and organised workspaces. Designed to meet the needs of trade professionals, it offers a reliable storage solution that supports safe and effective operations in busy work environments. Its robust construction ensures durability and ease of access when first aid resources are required quickly.

Features

- Durable white first aid storage designed for demanding indoor applications
- Robust chemical resistant polypropylene construction resists spills and harsh substances
- Spacious interior accommodates a variety of first aid supplies
- Reliable knob latch secures cabinet doors for controlled access
- Neat design simplifies identification and organisation of essential items
- Engineered for practical use in busy maintenance facilities
- Secure locking mechanism provides dependable protection for stored supplies
