Fischer Large First Aid Cabinet (Lock Latch) 380x190x465 (Special Order)

Product Code: F1H-168L

Description

Fischer Large First Aid Cabinet (Lock Latch) 380x190x465 (Special Order) provides secure and practical storage for essential first aid supplies in professional workspaces. The cabinet is constructed from chemical resistant polypropylene and features a durable white finish, ensuring it meets the demands of busy trade professionals. Its compact design allows for organised access to life-saving materials, supporting efficient response and management of first aid requirements in controlled indoor settings.

Features

- Durable chemical resistant polypropylene construction provides lasting strength
- Secure lock latch manages access reliably
- Bright white finish creates a clean professional appearance
- Spacious interior holds substantial first aid supplies
- Indoor storage designed for prompt emergency response
- Robust build supports high standard safety
- Large design accommodates diverse first aid equipment
- Special order cabinet with defined dimensions and secure closure
