Fischer Black 9L Stor Tub (Special Order)

Product Code: F1H-185V

Description

Fischer Black 9L Stor Tub (Special Order) is a durable, stackable storage bin designed for efficient organisation of supplies and equipment. Made from polypropylene, it provides a reliable solution for indoor applications where thoughtful space management is required. Its secure stacking design enables flexible configurations that help maintain orderly workspaces. The black finish contributes a professional appearance while ensuring easy identification and long-term functionality for professionals and trade experts.

Features

- Stackable design permits space-saving storage in confined areas
- Constructed from durable polypropylene for lasting performance
- Simple assembly ensures efficient handling of multiple bins
- Uniform black finish suits varied workplace aesthetics
- Practical design supports organisation of tools and supplies
- Compatible stacking mechanism ensures stable and secure arrangement
- Clear dimensions allow precise planning for interior layouts
- Robust construction withstands routine storage demands
