

Description

Fischer Black Viro Tub 13L is a stackable storage bin crafted from polypropylene in a black finish. It provides a practical solution for organising tools, components and supplies in controlled indoor settings. Its stackable design facilitates efficient space utilisation and ease of access, which benefits trade professionals by maintaining order and streamlining workspace management. Clear construction and robust design contribute to enhanced operational efficiency and reliability during everyday tasks.

Features

- Stackable design enables efficient workplace storage
- Robust polypropylene construction withstands routine handling
- Precisely engineered for consistent stacking stability
- 13L capacity suitable for storing small parts
- Compact design saves space in busy work areas
- Smooth surface facilitates quick cleaning and maintenance
- Simple construction reduces assembly and handling complexity
- Clean black finish integrates with varied interior décor

Product Code: F1H-187V
