Description

Fischer Blue Store Tub 32L Nesting Crate is a stackable storage bin by FISCHER designed for efficient indoor organisation. Crafted from durable polypropylene, its blue finish offers clear visual identification and resistance to wear. The nesting design allows compact storage and maximises available space. Its robust construction supports systematic handling and transport of components, providing reliable efficiency for trade professionals who require practical and well-structured storage solutions.

Features

- Sturdy polypropylene construction guarantees reliable indoor performance
- Nesting design maximises space with easy stackability
- Vibrant blue finish aids visual identification in busy settings
- Engineered design enables secure stacking without extra fixtures
- Simple design enables quick access and retrieval
- Robust structure withstands daily use without compromise
- Smooth surfaces simplify cleaning and routine maintenance
- Compact design fits neatly within confined storage areas
