Fischer Red 32L Stack and Nest Tub

Description

Fischer Red Store Tub 32L Nesting Crate is a stackable storage bin designed for straightforward organisation of parts and materials. Constructed from polypropylene, it offers durability and precision engineered dimensions to support secure stacking and efficient space utilisation. Benefitting trade professionals, the crate provides a reliable solution for managing small components and bulk items in environments where practical, proven storage is essential.

Features

- Stackable design for maximised space efficiency
- Vibrant red finish enhances visual identification
- High-quality polypropylene construction ensures lasting durability
- Efficient nesting system simplifies storage and handling
- Simple design supports quick loading and stacking
- Compact dimensions improve workspace organisation
- Engineered for reliable indoor storage solutions
- Reinforced build maintains consistent load stability

Product Code: F1H-190R

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Red

Construction

Product Material 1	Polypropylene

Dimensions

Product Height (mm)	195
Product Width (mm)	415
Product Length (mm)	648

Weights

Product Weight (kg)	1.546
Product Weight (grams)	1,546
Volume Capacity (L)	32
