Description

Fischer Black Store Tub 32L Nesting Crate is a polypropylene stackable storage bin designed for efficient organisation of tools and components in professional settings. It features a robust black construction that ensures ease of stacking and nesting, maximising available space and streamlining storage procedures. Its practical design supports quick access and secure containment, which can enhance productivity for trade professionals managing diverse parts and equipment indoors.

Features

- Constructed from durable polypropylene material
- Stackable design for efficient space management
- Nesting capability simplifies storage and transport
- Internal black finish offers a sleek professional look
- 32-litre capacity suits various storage applications
- Robust construction for everyday indoor use
- Precision engineering ensures reliable interlocking stability
- FISCHER quality guarantees lasting performance and dependability
