## Description

Fischer Red Store Tub 52L Nesting Crate is a sturdy polypropylene storage solution designed for efficient internal organisation. Its stackable and nesting design allows for optimised space utilisation and easier transport, making it highly practical for trade professionals seeking reliable storage. The red finish offers clear visibility and aids in quick identification, while its robust construction supports effective handling during daily tasks in busy work settings.

## Features

- Durable polypropylene stackable storage bins robust for demanding tasks
- Nesting design allows efficient stacking and simple retrieval
- Distinct red colour for quick identification and visibility
- Compact dimensions support efficient indoor organisation
- High capacity with available 52-litre volume storage
- Robust construction ensures longevity even with frequent handling
- Stackable design saves floor space and simplifies transport
- Designed for clear organisation and efficient workspace management
