Description

Fischer Black Store Tub 52L Nesting Crate is a stackable storage bin made of polypropylene in a classic black finish. The product offers efficient storage and easy transport, making it a valuable tool for trade and industrial professionals. Its nesting design optimises space, enabling convenient stacking and reliable durability in demanding workspaces. Practical features support efficient material organisation and contribute to streamlined operational performance in busy commercial settings.

Features

- Stackable design enables compact storage for streamlined space management
- Durable polypropylene construction ensures long-lasting indoor performance
- Black finish provides a clear, professional visual appearance
- Nesting design simplifies stacking and efficient item organisation
- Secure interlocking features support stable, reliable stacking
- FISCHER quality construction guarantees consistent durability and function
- Compact dimensions aid easy repositioning during routine maintenance
- Simple design allows straightforward cleaning and upkeep
