

Product Code: F1H-192R

Specifications

Outdoor Use	No
Indoor Use	Yes
Appearance	
Product Colour	Red
Construction	
Product Material 1	Polypropylene

Description

Fischer Red Store Tub 68L Nesting Crate is a red polypropylene storage bin designed for efficient space management. Engineered for clear visibility and practical stacking, its nestable design provides added convenience in busy workspaces. Its robust construction and secure fit between stacked units deliver dependable support for organised storage, making it a suitable solution for trade professionals. The design facilitates straightforward access and easy handling, ensuring that tools and materials are stored reliably and conveniently.

Features

- Stackable design allows modular, compact storage
- Durable polypropylene material withstands heavy use
- Secure stacking system maintains stability during storage
- Nesting design expedites transport and collection
- Red colour enhances visibility in busy workspaces
- Simple construction supports easy cleaning and maintenance
- Lightweight bins simplify handling and repositioning
- Precision moulded design ensures consistent alignment and stacking
