

Product Code: F1H-193R

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Red
----------------	-----

Construction

Product Material 1	Polypropylene
--------------------	---------------

Description

Fischer Red Store Tub Nesting Crate Lid provides stackable storage bins designed for efficient organisation in busy workspaces. The bins are made from durable polypropylene, offering reliable performance for everyday indoor use. The stackable design maximises space utilisation and simplifies storage, aiding trade professionals in maintaining a well-arranged environment while handling various items. The product delivers practical and robust solutions for managing assets and supplies effectively.

Features

- Stackable design improves storage capacity
- Constructed in durable polypropylene for reliable performance
- Robust red finish aids quick visual identification
- Nesting crate lid design for compact storage
- Engineered for indoor use with practical assembly
- Simple construction eases maintenance and operation
- Optimised shape accommodates varied storage needs
- Reliable performance and design from FISCHER
