

Product Code: F1H-193V

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Black
----------------	-------

Construction

Product Material 1	Polypropylene
--------------------	---------------

Description

Fischer Black Store Tub Nesting Crate Lid is a stackable storage bin made from durable polypropylene that provides an effective solution for organising components indoors. Designed with precision, the black crate facilitates secure stacking and efficient nesting for improved workspace management. Its robust construction and practical design enhance inventory control and ensure that users can maintain an orderly environment with ease and minimal effort.

Features

- Durable polypropylene construction withstands daily storage demands
- Stackable design saves valuable storage space
- Secure nesting system simplifies stacking and retrieval
- Lightweight build facilitates easy repositioning as needed
- Smooth black finish complements modern interior aesthetics
- Efficiently designed for quick organisation and access
- Simple stacking mechanism reduces handling time
- Reliable construction provides long-lasting performance
