Fischer Green Extra Deep Stor Pak Bin (Special Order)

Product Code: F1H-200G

Description

Fischer Green Extra Deep Stor Pak Bin (Special Order) is a stackable storage bin crafted from polypropylene designed for the efficient organisation of tools, parts and supplies. Its extra deep design offers practical capacity for detailed storage needs while its consistent green colour supports systematic tracking and identification. The bin provides reliable performance and thoughtful design to support professionals in managing their workspaces with ease.

Features

- Built from durable polypropylene for reliable storage performance
- Stackable design supports customisable arrangement configurations
- Extra deep capacity accommodates larger items and bulk storage
- Compact green finish offers clear visual identification
- Secure interlocking system maintains consistent stacking stability
- Engineered for indoor use with robust efficient construction
- Resistant polymer construction simplifies cleaning and maintenance
- Practical storage solution designed for organised workspace management

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Green

Construction

Product Material 1	Polypropylene

Dimensions

Product Height (mm)	165
Product Width (mm)	445
Product Length (mm)	200

Weights

Product Weight (kg)	0.606
Product Weight (grams)	606
Volume Capacity (L)	11.75
