Fischer Red Extra Deep Stor Pak Bin (Special Order)

Product Code: F1H-200R

Description

Fischer Red Extra Deep Stor Pak Bin (Special Order) is a stackable storage bin constructed from durable polypropylene and designed for efficient indoor organisation. It offers extra deep capacity for storing a range of tools, parts, and supplies used in trade applications. The bin's design supports systematic space management and simple stacking, making it a valuable asset for professionals seeking practical storage solutions tailored to everyday operational needs.

Features

- Stackable design improves space utilisation and simplifies item retrieval
- Extra deep design increases overall storage capacity
- Constructed from durable moulded polypropylene ensures long lasting performance
- Rigid red finish aids quick visual identification
- Special order option fulfils extra deep storage requirement
- Specifically designed for indoor use and easy cleaning
- Secure stacking system guarantees stable interlocking setup
- Engineered for efficient storage organisation with precise dimensions

Specifications

Outdoor Use	No
Indoor Use	Yes

Appearance

Product Colour	Red

Construction

Product Material 1	Polypropylene

Dimensions

Product Height (mm)	165
Product Width (mm)	445
Product Length (mm)	200

Weights

Product Weight (kg)	0.606
Product Weight (grams)	606
Volume Capacity (L)	11.75
