Fischer Large Deep Clear 12 Compartment Deep Box (Special Order)

Product Code: F1H-214

Description

Fischer Large Deep Clear 12 Compartment Deep Box (Special Order) is a clear compartment box constructed from co-polymer, designed to offer efficient solutions for part organisation and storage. The deep compartments provide consistent alignment for precise sorting, while the robust build ensures reliable performance. This product serves trade professionals by simplifying the management of components and enhancing accessibility during routine operations.

Features

- Durable co-polymer construction ensures long-term performance
- Clear design enhances visual identification of stored contents
- Twelve compartments facilitate organised tool storage
- Deep housing accommodates bulky parts and equipment
- Precisely moulded compartments support consistent component arrangement
- Light transmission aids quick verification of container contents
- Engineered for indoor storage versatility and practical applications
- Large deep design offers ease of access for tools
