### Description

Fischer Spare Parts Tray with Removable Dividers is a purpose-built accessory designed for efficient organisation of spare parts in maintenance facilities and workshops. Manufactured in grey Cals Carb PP, its functional design incorporates removable dividers that allow for flexible arrangement of components, ensuring quick access for industrial and trade professionals. Constructed with durability and practicality in mind, the tray offers a seamless solution for managing spare parts in strictly indoor settings.

### Features

- Durable spare parts tray constructed from Cals Carb PP
- Grey finish aids clear visual organisation
- Removable dividers for adjustable compartment configuration
- Simple design facilitates straightforward assembly and maintenance
- Lightweight build ensures easy transportation and handling
- Engineered for precision and dependable spare parts storage
- High-quality construction improves organisation and daily operations
- Trusted FISCHER design meets essential technical requirements
